# AARON LABINI

Masbate City, PH | (+63) 931-892-4911 | aaronbarlas.labini@gmail.com | [LinkedIn](#) | [Github](#) | [Portfolio](#)

## WORK EXPERIENCE

**DICT Regional Office V**

Intern
**January 2024 - May 2024**

- Graphic Design: Created designs using Canva for projects and presentations.
- Training and Seminars: Actively participated in numerous training sessions and webinars to enhance skills and knowledge.
- Programming: Solved and analyzed various programming problems using Java and Studied C++ in NetAcad to refresh and enhance programming skills.

## TECHNICAL PROJECTS

**Loan Management System** | Laravel, PHP, PostgreSQL, Bootstrap, HTML, CSS, Figma                 **[Repository](#)**

*A Web-based Loan Management System digitizes and streamlines Bicol University Provident Fund's processes, addressing inefficiencies in manual tasks.*

- Utilized the incremental model of the Software Development Life Cycle (SDLC) for systematic development and iterative improvement of the project.
- Collaborated with my team to create detailed and visually appealing web page designs using Figma, incorporating user experience (UX) principles and responsive design elements to ensure compatibility across various devices and platforms
- Engineered both front-end and back-end functionalities using Laravel 10; optimized database operations with PostgreSQL and deployed application via Hostinger VPS, achieving performance enhancement and seamless integration.

**Portfolio  Website** | React, Tailwind CSS, HTML

*A personal portfolio website showcasing my skills, projects, and certificates*          **[Repository](#) | [Live](#)**

- Developed the frontend with a focus on UI/UX, leveraging ReactJS and Tailwind CSS to create a responsive and visually appealing user interface, adhering to best practices for optimal performance and user experience.

## EDUCATION

**Bicol University**

Bachelor of Science in Information Technology - 1.7033 GPA
**July 2024**
- Cum Laude

## SKILLS

- Proficiency with HTML, CSS, Bootstrap, Tailwind CSS, and JavaScript
- Experienced in using version control tools like Git and Github
- Canva
- Experienced in working with Laravel Framework
- Experienced in working with React.js and Next.js
- Worked with MySQL and PostgreSQL

## CERTIFICATES

- Completion of 486 hours of Internship, DICT Regional Office - V (May 2024)
- 60hrs Digital Literacy Training on Microsoft Office Basic to Advance, DICT Regional Office - V (February 2024)
